a commitment to excellence in education

March 19, 1993

Mr. Erik Bauer
9 Hillside Cir., P. O. Box 310
Palos Park, Illinois 60464

Dear Erik:

The first New Learning Center School Meeting will be held from 7:30 to 9:00 p.m., on April 7, at the Orland Park Civic Center. At that time you will have an opportunity to meet with your Advisor as well as the other members of your class. The purpose of the meeting is threefold:

1. To begin making friends and becoming familiar with decision-making processes.
2. To communicate your proposed course selections to your advisor.
3. To make a group decision regarding lunches at the New Learning Center.

Enclosed you will find a card for indicating your course selections. Remember, you may receive either academic credit, or honors credit based on the level of work you complete in the areas of English, World History, Algebra, Geometry, and Physical Science. Those determinations will be made as you begin work in the courses. Also, keyboarding may be taken for credit, or for non-credit, depending upon your needs in that area. Please return the enclosed card when you come to the school meeting. In the event that you are not able to attend that meeting, please mail the card to Mrs. Kososki at the Administration Center, or drop it off at her office.

In the event that you will not be able to attend the school meeting, please phone Mrs. Kososki at 349-5761.

I look forward to seeing you on April 7.

Sincerely,

Mary Anne Hiller
